Memorandum

TO : Chief, Los Angeles Office

DATE: 20 February 1957

FROM : [REDACTED] F/E

SUBJECT: Reaction at USSD to CIA Link with National Student Association (NSA)

A/B/E [REDACTED]

To forestall any questions about the NSA business, I immediately said that all I know is what has been in the press. [REDACTED]

[REDACTED] said he saw nothing wrong with the CIA-NSA matter because Communist governments have obviously been active in student groups under their jurisdiction.
